

EDITORIAL

The Bulletin Editor, Mr. A.J. Ward has asked me to find a replacement as he is changing his employment which means moving away from the area, in the meantime I will do my best as secretary to keep you informed of events.

We have got off to a very bad start to the 1976/77 season. The meeting that was planned for September has had to be cancelled owing to circumstances beyond my control, but there is a bright side to the future.

The Coventry Society are holding their Annual Exhibition with dealers in attendance on Saturday 20th. November, 1976. at the Sibree Hall, Warwick Row, Coventry. They have kindly offered us the use of a room where we can have a full day meeting, so I am hoping we shall have a full turn out of members. Exhibition open from 10.00am. to 6.00pm.

PROGRAMME for COVENTRY MEETING

The morning session will be informal, with a background display of Postal History, this will allow members to visit the main Exhibition Hall and see what the dealers have to offer.

The afternoon session will start at 2.00pm. we will have the usual formal 9 sheet displays from members, so bring some material to show. The meeting will be open to the interested public, so we shall require some members to be in attendance over the lunch break, to look after the static display and see to our visitors who may be potential members.

1976/77 SUBSCRIPTIONS

May I remind those members who have not yet paid their £1.00 subscription, they were due on the 1st. April 1976, to help I will enclose a renewal membership form with this Bulletin to those who have not paid.

COVENTRY EXHIBITION DISPLAYS

Those members who have promised to display Warwickshire Postal History in the 11 Frame display our society are putting on for the Coventry main exhibition will have a reminder enclosed with this bulletin. I ask for your co-operation and return the form to me as soon as possible.

BULLETIN EDITOR

We are in urgent need of an Editor, unfortunately the society at present cannot afford to purchase a typewriter and duplicator, but if any member has the access to means of producing a bulletin, he would be doing the society a great service by volunteering, because a bulletin is our life line and only by regular issues can we hope to study and record local Postal History.
